## Education

Associate of Applied Science, Interactive Media – 2010

Johnson County Community College, Overland Park, Kansas

Web Design Certificate – 2010

Johnson County Community College, Overland Park, Kansas

## Web Experience

**Freelance Web Designer** 2006 – Present

[Laura E. Kelly](#), Shawnee, Kansas

Create websites for businesses and individuals. I design the whole project from start to finish: proposals, layouts, development, and search engine optimization.

**Web Designer** 2010

[River Key Creative](#), Kansas City, Missouri

Collaborate with the team to create websites and web applications. I created layouts, logos, and illustrations. Then I created the working product using XHTML and CSS.

**Intern** 2010

[SPIDERtel, Inc.](#), Overland Park, Kansas

Assist with office tasks such as indexing software, taking inventory, and editing images. I also designed and developed a mobile version of SPIDERtel's company website.

## Skills

XHTML, CSS, Adobe CS3 and CS4, Microsoft Office, Windows/Mac Proficiency, Keyboarding 80 wpm, Writing Skills, Photographic Skills

## Other Work Experience

**Veterinary Technician** 2006 – 2010

Mission Road Animal Clinic, Prairie Village, Kansas

Acquire weight, temperature, and history of each patient, assist Veterinarian with surgical procedures, perform dental prophylaxis on patients, and educate clients about parasites and general pet care.

**Sales Associate** 2004 – 2005

Petco Animal Supplies, Overland Park, Kansas

Educate customers about specific animals and their habitats, while stocking retail products, running the cash register, and answering the phone.
